

ARTLINK TRUSTEE PERSON SPECIFICATION

All Boards are made up of a range of people with different sets of skills and experiences. It is the combination of these skills and experiences which give Boards their strength.

We have identified that in order to strengthen our Board we need to appoint new members with one or more of the following areas of skill, knowledge or experience :-

- Lived experience of disability
- Management and governance, particularly in the voluntary sector
- Marketing and communications
- Social and cultural policies

Each Board member must have the following skills or experience in order to do their job well.

1. Commitment to the values and work of Artlink
2. Ability to work co-operatively with the Chair, other Board members and the Director of Artlink
3. General understanding of the legal duties and responsibilities of Board members, including those relating to our service users, staff and volunteers.
4. Ability to contribute to strategic planning and to make good decisions in the interests of Artlink and its service users and the expectations of its funders.
5. Ability to scrutinise board papers and accounts
6. Ability to identify appropriate targets and monitor progress towards these
